## Upcoming Events 活動

Watch for the date for the Winter Festival in December.

We are looking for 18-30 year old young ladies who can be Miss China and Miss Taiwan for the Miss Asia Fest contest at Asia Fest on February 6, 2021.

This month, we hosted an art presentation from Tiffany Chang and Winslow 'Bud' Johnson. Tiffany showed us her wonderful paintings and Bud took us through the elements and techniques of each piece. Zoom is allowing us to join together as a community and share with each other. Not only did we have our members from SWFCA join us for this presentation but a few others signed in from around the world. If you couldn't be there that night for the event, you can check out more information in the link!

This year, we celebrated the Moon Festival at Estero Community Park. Following CDC guidelines, we safely and successfully hosted our first in-person meeting. It was great to see everyone that made it out to celebrate with us. The event included a live music performance by the talented Professor Qin, a water balloon toss activity, good food, and, of course, mooncakes! If you would like to be a part of future events, be on the lookout for future newsletters with more information regarding our winter event scheduled sometime before the Christmas holiday.
